Win a Trip for 2 to Puerto Rico!

20/20 vision not guaranteed. Individual results may vary. Like any medical procedure, there are risks and complications which will be discussed during your consultation.

*Surgery must take place between June 1 and August 31, 2015. Trip is for one week stay. Prize must be redeemed by August 31st, 2016. Financing available. Cannot be combined with any other offer. Limited time offer. Bring copy of this ad in order to redeem offer. Any surgical procedure has risks, and LASIK is no exception. Before deciding to proceed with surgery, be sure to review carefully the informed consent document that your physician will give to you and which will provide you with the risks, benefits, and alternatives to surgery. Results may vary. Not all patients become independent from glasses as a result of LASIK. There are risks associated with any surgery.
